

PRESS RELEASE

Åse Aulie Michelet appointed CEO in Marine Harvest

Oslo, 2 January 2008: **The Board of Directors of Marine Harvest ASA has appointed Åse Aulie Michelet (born 1952) as CEO in Marine Harvest ASA as of 1 March 2008. Aulie Michelet has broad international management experience.**

Aulie Michelet comes from global positions as Executive Vice President GE Healthcare, Manufacturing and Supply chain and President GE Healthcare AS (Norway), positions she has held since 2004.

Previously Aulie Michelet has served in various posts in the fields of research in biology, production and marketing at Nycomed, subsequently Nycomed Amersham since 1979. She is a board member in Orkla and has held several board memberships in different companies, such as Yara and Eksportfinans.

Aulie Michelet has a M.Sc.Pharmacy from the University of Oslo (1978).

“The Board of Directors in Marine Harvest is very pleased to welcome Åse Aulie Michelet as the new CEO of the company. She is an extremely well qualified manager who combines the necessary focus on the market, the customer and the results - with the ability to manage and understand multicultural organisations”, says chairman Svein Aaser in Marine Harvest.
